4/5/01 -- The annual ***Renaissance Pleasure Faire*** in Glen Helen Regional Park, San Bernardino, commences early this year the weekend of 4/28- 4/29. Great food, festivities, and fun for the entire family! I will once again be donning gypsy regalia and doing mini-readings with ye olde laptop at the Faire-- in my nearby but new location- still in Trader's Market, now at the ***far right*** end of "Psychic Row." **Bring a copy of this e-mail and receive \$5 off your Astrology Reading at the Faire. I also may have a limited supply of discounted admission coupons- first come, first serve!** Great Early-Bird ticket specials are also available from (800) 52-FAIRE. The Faire will be ongoing every weekend and Memorial Day through 6/17, but I will only have a limited Faire schedule- I'll be there opening weekend 4/28-29, with the rest of the dates TBA. If you're planning to come, e-mail me to verify my schedule. It would gladden my heart to see thee!

With the ***Saturn contraparallel of Chiron & Neptune*** out of the picture since 4/4, and the ***Saturn-Chiron quincunx*** separating after 4/11, things should brighten up both financially and emotionally. ***Remember, it's important to choose special dates-*** such as weddings, business incorporation, creative material releases- even dates to begin a new job or to sign a mortgage- ***with special care*** to avoid creating long-term negative vibrations from passing influences such as this one. Magi Astrology excels at this!

Chiron is goes retrograde 4/7- 8/26- During this time, it may be more difficult to access our needs for healing, or our ability to teach others our special messages.

Full Moon is Saturday 4/7 at 8:23 pm PDT. Positive feelings are on top for this full moon, with Moon in Libra, Venus and Mercury conjunct in Aries, and a nice Jupiter-Neptune trine. Things may not be all that they appear, however, due to the Saturn-Chiron quincunx-- hold off making love with that special new person until after this negative influence ends on 4/11.

Venus turns direct 4/19 at 9:34 pm PDT, smoothing things out and letting us get back on track in the growth of our love relationships and creativity.

Saturn moves fully into Gemini on 4/20, where it will dwell for the next couple of years. Those with Sun or other planets in the mutable signs of Gemini, Virgo, Sagittarius, or Pisces will notice it most. Saturn can be experienced as severe or restrictive, but ultimately it does fulfill its role as Lord of Karma, teaching us lessons we otherwise might not slow down to learn. Saturn brings the harvest- helping to firm up and crystallize our energetic investments into manifestation. This can be a positive time--- we only experience Saturn as the Grim Reaper if we have sown seeds of ignorance or negativity.

Our next ***New Moon is 4/23 at 8:26 am pm PDT.*** With Mercury tightly conjunct the Sun-Moon at the lunation, emotional communications will be emphasized, but with Venus square the Mars-Chiron conjunction, some miscommunication or misconnect seems likely. The opposition of Jupiter and Pluto could make it easy to get too big for our Armani slacks or caught up in a loser scheme-- let's slow down and think things through.

Remember, ***Moon Void*** is not a good time to attempt anything important -- ***Moon Void times for the next month lasting an hour or more during the business day (more or less) are 4/6 11:18 am- 1:57 pm PDT, 4/20 10:40 am- 5:18 pm PDT, and 4/27 9:12 am- 12:49 pm PDT.*** We're getting off easy this month!

Please ***e-mail me with any questions*** you would like to see addressed in future issues-- if you or anyone you know would like to receive StarGazer, send me their e-address-- and, as always, I appreciate your ***referrals*** ----

Starlight Blessings and Love,
